## **A Message from Your President**

**By Germar**

Hello my magician friends. What a way to start our magical year! We had an amazing installation dinner and show with a full house in attendance for a great show featuring Gerald Joseph and Germar. Thanks to all who helped us and thank you to all that came and supported the club.

This year we are working on some lectures and two or three shows to promote the club and to give our members a chance to show their talents. As I told you in last month's column, I will concentrate on three things primarily for 2020:

- see magic
- perform magic and
- learn magic

We will spend just a few minutes at the beginning of each meeting with any news the members have and then we will start doing magic. At each meeting I will teach a new trick which is fun, easy to learn and magical. We will select different themes each month! In March the theme is "comedy magic," (My speciality!) and it is going to be so much fun. By all means bring some magic for us to see.

The Board is working very hard for you because we want you to have fun at each meeting. Thank you for reading this and see you at the next meeting!

Germar
