

# Important announcement from the Oakland Magic Circle

Last night the OMC Board made the decision to postpone the annual Flea Market and Auction originally scheduled for Tuesday, April 7. There be no meeting either.

This is in response to the uncertainty of the COVID-19 virus (aka Coronavirus). We feel it is in the best interest of our members and the greater magic community of buyers and sellers. Currently the plan is to hold the event on Tuesday, October 6 but a confirmation of the new date will announced as we get closer.

Thank you.
